

MOHAMMAD SINAN

UI Developer / Frontend Developer

Riyadh, Saudi Arabia

+91 7349710055 | mhdsinan004@gmail.com

PROFESSIONAL SUMMARY

UI Developer / Frontend Developer with hands-on experience building responsive, high-performance web applications using **HTML5, CSS3, JavaScript (ES6+), React.js, Vue.js (Options API), and Tailwind CSS**. Strong expertise in **design-to-code execution**, dashboard UI development, and RTL-compatible interfaces for Arabic markets. Experienced in collaborating with designers and backend teams to deliver scalable, business-focused solutions. Skilled in API integration, performance optimization, and cross-browser compatibility. Actively seeking UI / Frontend opportunities in **Riyadh, Saudi Arabia**.

CORE SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Vue.js (Options API), Tailwind CSS

Backend's APIs: Firebase, Python, MySQL, REST API Integration

Design Tools: Figma, Framer, Adobe Photoshop, Canva

Developer Tools: Git, GitHub, VS Code, AI-assisted development tools

Strengths: Responsive Design, Dashboard UI, RTL & Arabic Support, UI Optimization, Debugging, Cross-Browser Compatibility, Agile Collaboration

PROFESSIONAL EXPERIENCE

Software Developer Trainee – Frontend

Almasons, Mangalore | Jun 2025 – Nov 2025

- Built **cockpit and dashboard interfaces** using Vue.js and Tailwind CSS, supporting responsive layouts across desktop and tablet devices
- Integrated **real-time APIs (Python & MySQL)** to display live operational data, improving UI data accuracy and refresh reliability
- Improved UI performance and maintainability by **refactoring reusable components** and ensuring cross-browser compatibility

Album Designer

Whitebook World, Bangalore | Oct 2024 – May 2025

- Created **professional album layouts and marketing creatives**, aligned with client branding and print standards
- Enhanced visual quality through **image retouching and color correction**, reducing revision cycles and delivery
- Produced layout revisions using Figma, ensuring **consistent typography, spacing, and visual hierarchy**

Freelance Designer

Self-employed | Jun 2022 – Present

- Delivered **30+ design assets** including logos, banners, albums, and social media creatives for multiple clients
- Edited short-form promotional videos and reels, increasing **visual engagement and brand consistency**
- Maintained design quality through systematic **retouching, color correction, and layout alignment**

PROJECTS

PixelResume | React.js, Tailwind, Firebase, RTL support – December 2025

- Built a modern resume builder with **real-time editing, live preview, and ATS-compliant PDF export**
- **Addresses a real hiring problem** by enabling users to create recruiter-ready resumes quickly, with **full Arabic RTL support for Middle East job markets**
- Developed **reusable, modular UI components** optimized for performance, responsiveness, and cross-browser support

AI Pixel Hub | React.js, Firebase | 2025

- Developed a responsive platform for **discovering and browsing AI tools** with structured navigation
- **Solves tool discovery overload** by helping users quickly find relevant AI solutions through search and categorization
- Ensured **clean UI, performance-optimized rendering, and cross-browser consistency**

AI SaaS Landing Page Builder | React.js, TypeScript, Tailwind CSS | 2025

- Built a dynamic frontend interface for exploring **AI-powered SaaS landing page templates**
- **Improves decision-making speed** by allowing users to compare templates and features in one centralized interface
- Designed **scalable, responsive UI components** ensuring fast rendering and polished user experience

EDUCATION

Bachelor of Computer Applications (BCA)

St. Mary's Syrian College, Mangalore University

CGPA: 7.98 | Graduated: Aug 2024

CERTIFICATIONS

Full Stack Python Developer Course – Besant Technologies, Bangalore | 2024
